MEMORANDUM

REPLY TO THE ATTENTION OF:

SUBJECT: Recommendation to Issue a Finding of Violation to
Arbor Hills Energy LLC, Northville, Michigan

FROM: Sara Breneman *SB*
Chief
Air Enforcement and Compliance Assurance Branch

TO: Ed Nam
Director
Air and Radiation Division

I recommend that you issue a Finding of Violation (FOV) to Arbor Hills Energy LLC (Arbor Hills Energy), a subsidiary of Fortistar Methane Group LLC, for violating its renewable operating permit (ROP).

Specifically, Arbor Hills Energy has allowed emissions of sulfur dioxide into the atmosphere above regulated limits and has failed to properly operate control devices that control emissions from Arbor Hills Landfill. We discovered these violations through review of Arbor Hills Energy's response to a Section 114(a) Information Request issued on March 9, 2018. These violations constitute continuation of violations alleged in a FOV issued to Arbor Hills energy dated September 29, 2016.
